provided for in the schedule of rates during the time of execution.

8. The sealed tenders received for the above work will be opened in the presence of such of those tenderers who will be present at that time.

9. If the work is not completed and handed over within the specified period, a fine of Rs. 50 will be levied for every fortnight's delay.

10. The final acceptance or recommendation for acceptance will rest with the Executive Engineer, Buildings Division, Bangalore. The successful contractor should bind himself to abide by the departmental rules in force and execute the necessary mutchalika on receipt of intimation of acceptance of his tender, failing which his earnest money will be forfeited.

11. Under no circumstances will a father and his son or other close relations be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tenders of both the parties liable for rejection.

12. The submission of a tender by a contractor implies that he has read this notice and the conditions of the contract and has made himself aware of the scope and specifications of the work to be done and of the schedule of rates, etc.

13. In all matters of disputes about rates, measurements, quantity and quality of work, etc., and in all other disputes of any kind, the decision of the Chief Engineer for Roads and Buildings in Mysore, Bangalore, will be final and legally binding.

14. The rates quoted shall hold good if the tender is accepted within six months from the date of tender and shall thereafter be binding for the execution of the entire work.

15. The contractors will please note that the conditions will in no case be relaxed.

16. Those who cannot abide by the conditions need not tender.

17. The work should be completed within 30 months from the date of issue of work order.

18. Tendered contractor has to pay compensation to the disabled workmen working under him for any injury caused during the execution of this work, failing which the amount will be deducted from the bills and paid to the injured.

19. Sales-tax will be recovered at the prescribed rate on all work bills.

20. The quantities in the abstract notification are only approximate and they may vary according to the requirements of the department during execution.

21. The intending tenderers are expected to strictly adhere to the departmental specifications of works to be furnished during execution and should not impose any conditions in their tenders. Any tender which violates this condition is liable to be rejected.
